### **REASONS FOR ALLOWANCE**

1. Claims 1-11 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 1 through 11 is the claimed subject matter regarding "a second spring winding having a first and a second end between which said opener member extends, when said actuator produces no output, the first end abutting against a second stopper, the second end abutting against said opener member so as to exert a second spring pressure on said opener member in the second rotational direction to nip said opener member between the second end of said second spring winding and the end of said first spring winding elastically through the first and second spring pressures, thereby holding said throttle valve at the middle position" which the prior art references did not disclose.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
